-

Education

- Currently in Grade 12 completing an OSSD at Maple High School
 - Achieved Honor Roll throughout each semester of high school
-

Employment Experience

- I have no employment experience in terms of working for companies and organization
 - Although on the side I have worked alongside a business partner in the US for two development firm startups that are in the works. Unity3 and Uivision.
-

Development Experience

Contracted Fronted Developer | June 2022 - Present

- Developed and maintained the company's website using React, HTML, CSS, SCSS and JavaScript.
 - Collaborated with the UX/UI design team to implement visually appealing and user-friendly designs.
 - Improved the website's performance and speed by optimizing images and implementing lazy loading.
 - Worked closely with the backend development team to ensure seamless integration between the frontend and backend systems.
 - Troubleshoot and resolved bugs and technical issues in a timely manner. Conducted code reviews and provided constructive feedback to junior developers on the team.
